

# RECOVERY MONTH SCOTLAND

1. Promote and support new recovery activity in the Scottish Recovery Movement
2. Celebrate diversity and demonstrate that people can and do recover from addiction
3. Bring people together to learn, connect and give
4. Make recovery more visible and accessible within communities
5. Celebrate and promote the abundant strengths within families, neighbourhoods and communities
6. Celebrate and support those building recovery communities
7. Support new dialogue and shared community-led learning
8. Support and promote new integrated responses to wellbeing issues
9. Bring addiction services and recovery communities together as equals to learn and grow
10. Promote and support social justice and the empowerment of recovery communities
